ATLAS ISME: Your Gateway To Excellence

A Business School Beyond the Ordinary!

ATLAS ISME, the School of Management & Entrepreneurship at **ATLAS SkillTech University**, is more than just a business school—it's a dynamic ecosystem where innovation meets enterprise, diverse ideas thrive, and future leaders emerge to shape the evolving global economy.

Located in the heart of Mumbai—one of the world's leading financial and commercial hubs—and **surrounded by 500+ corporates**, ATLAS ISME provides an unparalleled learning environment. Here, education goes beyond acquiring knowledge—it's about seizing opportunities, challenging conventions, and redefining the future of business. With a strong industry connection, real-world learning experiences, and a future-focused curriculum, we prepare ambitious minds for entrepreneurial success and leadership excellence.

At ATLAS ISME, you'll find the knowledge, skills, and network to grow and succeed in the ever-evolving world of business.

Tim Cook, CEO, Apple Inc with our students

FROM THE President

DR INDU SHAHANI

Former Sheriff of Mumbai (2008-09)

Member, University Grants Commission (2011-14)

Principal, H.R. College of Commerce & Economics, Mumbai (2000-16)

“ It is an exciting new world. A world full of excitement and innovation. A world full of new ideas. Where possibilities are limitless and success is at hand for the brave. As students reach forward into this future with both hands outstretched to grab success, it is our duty to nurture their minds and spirits. Atlas SkillTech University will be one of the cornerstones of this philosophy.

We shall foster a spirit of innovation and impart skill sets that help our students in the new world. Our modern pedagogy and information dissemination methodologies allow us to create entrepreneurial leaders who have the sensibilities of the West while being driven by the enthusiasm of the East. This confluence of cultures will help our students push-start the entrepreneurial revolution in India which will create jobs and provide the backbone to India's race to super-power-dom. Powered by the vision of our youth. ”

MBA in Investment Banking at ATLAS ISME

ATLAS ISME's MBA in Investment Banking is India's first industry-endorsed program that seamlessly integrates academic excellence with real-world deal execution. Over two years, you will engage in live case studies and capstone transactions under the guidance of senior bankers who have spearheaded India's landmark M&A deals and IPO mandates.

Our curriculum delivers advanced instruction in valuation techniques, capital-raising strategies, structured products and risk management, while incorporating the latest SEBI regulations, due-diligence protocols and listing processes. Through immersive deal-room simulations and direct mentorship from transaction architects, you will develop the analytical rigor and strategic acumen required to structure complex financings and negotiate high-stakes transactions.

With dedicated internship placements and career support, ATLAS ISME positions you at the forefront of global investment banking, ready to drive capital markets initiatives and advise corporate clients on value-creation opportunities.

Why Choose ATLAS ISME MBA in Investment Banking

Specialized Career Path: A bespoke program designed for aspirants targeting careers in investment banking, private equity, or corporate finance.

Industry-Driven Curriculum: Case studies, simulations, and projects crafted and delivered by seasoned finance professionals.

Expert Faculty & Mentorship: Direct access to veteran bankers, senior analysts, and leading financial strategists for guidance and insight.

Lucrative Career Outcomes: Prepares you for high-remuneration roles within top-tier global financial institutions.

Global Credentialing: Equips you with internationally recognized skills and credentials sought by premier investment banks worldwide.

Hands-On Deal Exposure: Six-month compulsory internship, live-deal room simulations, and curated networking events for practical industry immersion.

Dedicated Placement Support: Three guaranteed interviews with leading investment banking and financial services firms, backed by strong alumni and corporate partnerships.

Graduate Outcomes and Core Competencies

Students graduating from the ATLAS ISME's MBA in Investment Banking program will develop a comprehensive mix of technical, analytical, and interpersonal skills, including:

Technical & Financial Skills
