# From the President

---

“ At ATLAS, we are implementing a futuristic education model that is primarily focused on equipping young India with emerging skills and technologies to succeed in Industry 4.0. We are committed to preparing the current generations for the future through research, scholarships, education and practice. ”

---

## **DR INDU SHAHANI**

Founding President & Chancellor,  
ATLAS SkillTech University

Ex - Sheriff of Mumbai (2008-09),

Member of the University Grants Commission (2011-14)

& Principal of H.R. College of Commerce & Economics,  
Mumbai (2000-16)

---

With a legacy of excellence across legal education, practice, and public policy, Dr. Ashok Yende brings unmatched leadership to the ATLAS School of Law. His vast experience—as Professor & Head at the University of Mumbai, Founding Director of the Mumbai University Law Academy, and Founder of Yende Legal Associates—ensures our students learn from someone who has shaped legal academia and practice at the highest level.

As a global thought leader and recipient of prestigious accolades, Dr. Yende brings a forward-looking vision rooted in justice, innovation, and interdisciplinary learning. Under his guidance, ATLAS School of Law is poised to become a dynamic hub for future-ready legal education—blending strong legal foundations with the worlds of business, policy, and technology.

# ATLAS School of Law

Where Legal Education  
Meets the Future of  
Business, Policy &  
Technology

**Approved by the Bar Council of India**, the ATLAS School of Law is redefining legal education for the next generation of changemakers. As part of **ATLAS SkillTech University**—India's first urban, multidisciplinary university—our program offers a **skill-based and practice-oriented curriculum** that integrates **emerging technologies**, business strategy, and policy frameworks.

Located in **Mumbai**, India's legal and financial capital, ATLAS provides an immersive learning experience where law students work alongside peers in business, design, and technology. This collaborative environment prepares students not just for courtrooms, but also for **boardrooms, policy think tanks, startups, and global enterprises**. Learning at ATLAS goes far beyond textbooks. From **moot courts and negotiation labs** to **legal-tech clinics and internships with top firms**, our students gain hands-on experience that empowers them to thrive in the real world. They graduate not only with a law degree—but with the **tech fluency, strategic mindset, and professional skills** needed to lead in a complex, evolving legal landscape.

# ATLAS School of Law

## A Distinctive Edge

---

### **Interdisciplinary & Business-Law Integration**

The curriculum merges legal studies with management, business, technology, and innovation. Programs like Law & Entrepreneurship, Cyber Crimes, IPR, Law & Technology, AI & Law will prepare students for emerging industries.

---

### **Industry-Aligned & Practice-Oriented Learning**

Strong focus on experiential learning: internships, live projects, corporate simulations, legal tech labs, and startup legal clinics. Industry linkage. Regular interaction with practicing lawyers, industry leaders, and in-house legal teams from top firms and companies.

---

### **Technology-Enabled Legal Education**

Training in legal tech tools, AI in law, cyber law, and e-contracts. Access to modern digital tools, databases, and virtual courtrooms.

---

### **Global Exposure**

International academic collaborations. Comparative and international law modules aligned with global legal standards and institutions.

---

### **Skill-Based & Outcome-Focused Curriculum**

Emphasis on soft skills, legal communication, negotiation, mediation, arbitration, and client counseling. Dedicated modules for legal drafting, contract negotiation, compliance management, and corporate governance.

---

### **Entrepreneurial & Innovation-Driven Culture**

Encourages legal innovation, startups, entrepreneurship. Students are trained to become problem-solvers, policy thinkers, and legal entrepreneurs, not just traditional lawyers.

# Why Choose the BBA LL.B. (Hons.) Program at ATLAS?

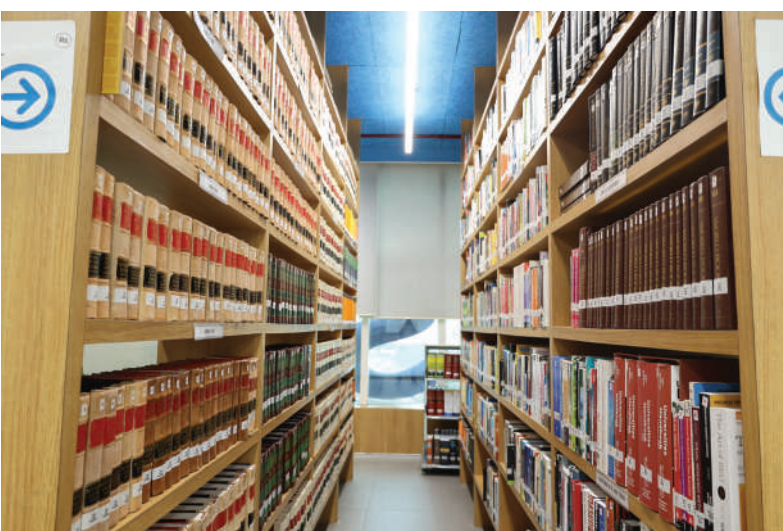

## A New-Age Legal Degree for the Leaders of Tomorrow

The BBA LL.B. (Hons.) at ATLAS is more than a law degree. It's a launchpad for aspiring legal professionals who want to lead in a world shaped by business, policy and technology.

The program is built on a skill-based and practice-oriented curriculum that brings learning to life through moot courts, legal-tech clinics and real-world projects. Technology is embedded into the learning experience to ensure students are ready for the digital-first legal landscape.

Along with a strong foundation in core legal subjects, students explore business electives across Marketing, Finance, Entrepreneurship, Business Analytics and AI. They also shape their own academic journey through law electives and specialisations in Constitutional Law, Business Law, Crimes & Criminology and Intellectual Property Rights.

Whether you see your future in corporate law, public policy, litigation or legal innovation, this program equips you with the knowledge, experience and perspective to make a lasting impact.

# Curriculum Overview

---

The BBA LL.B. (Hons.) program at ATLAS offers an industry-aligned and practice-oriented curriculum that blends legal education with business insight, policy understanding, and emerging technologies.

Through a technology-enabled and skill-based learning approach, students gain hands-on experience via moot courts, internships, legal-tech labs, policy clinics, and capstone projects. As they advance, they personalise their journey with specialised electives and domain-focused tracks in high-growth areas of law.

The outcome is an agile, outcome-focused legal education that equips students with strong foundations, tech fluency, professional skills, and the confidence to lead in law firms, corporates, startups, and policy institutions.
