ATLAS BUSINESS APTITUDE TEST (BAT)

ABOUT APTITUDE TEST

The purpose of our aptitude test is to evaluate your proficiency in essential areas including quantitative aptitude, logical reasoning, verbal reasoning, business communication, written communication, and verbal communication. We aim to assess if you possess the desired and well-rounded combination of these skills that are necessary to thrive in our academically challenging BBA program. Please note that the test is designed to help us have a comprehensive understanding of the breadth and depth of your abilities and aptitude. Therefore, no one section or one score, but rather the combination of scores against all sections will be utilized to assess the outcome of this stage.

SCOPE OF APTITUDE TEST

The ATLAS Business Aptitude Test will be a 100-minute test and have questions across the following sections

- **English Language – 15 Questions – 15 Marks**
- **Business Communication – 11 Questions – 11 Marks**
